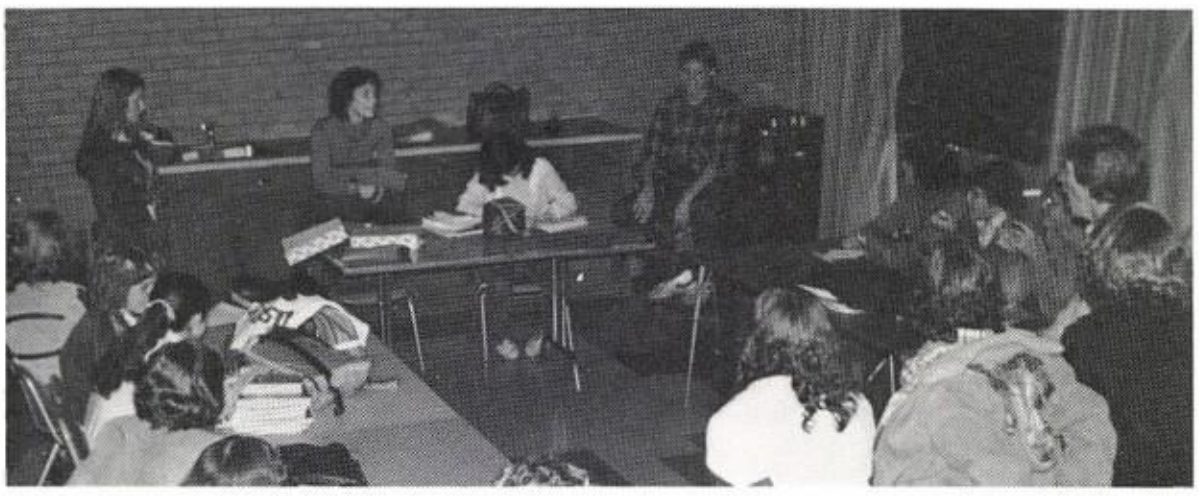
Council President Bennett explains the procedure they will follow.



Everyone gets their say on how they should handle the procedure.

Council Sponsors Folders

The student council has taken part in many various fund raising activities.

This year the council held a contest to design the cover of a folder. The winner was Brenda Lambert. Mark Thaut did the lettering.

With the money the council raised they hope to buy a marquee. A marquee is a sign telling when up-coming events will be held.

The council also hoped to revise the student council constitution.

"SUPPORT" IS NEEDED

"Support personnel" are those people who do many of the daily chores that must be done to keep the school operating.

Food must be cooked and served; the halls must be cleaned for each day; medical help must be there for those needing it; books must be checked out; and the enless variety of office work must be done.

The dedicated people filling those positions are most helpful in keeping Hastings High School "humming" throughout the year.

FRESHMEN HAVE NEW EXPERIENCES

It is known that some freshmen were eagerly waiting to come up to the senior high to be part of the Tigerland spirit while some were still nervous about being on the bottom once again after finishing Junior High. After the freshmen got up to HHS they realized it wasn't so bad after all. The freshmen eagerly took part in such organizations as band, athletics, Student Council, music and many more which proved to the upperclassmen that they would be terrific Tigers, also.

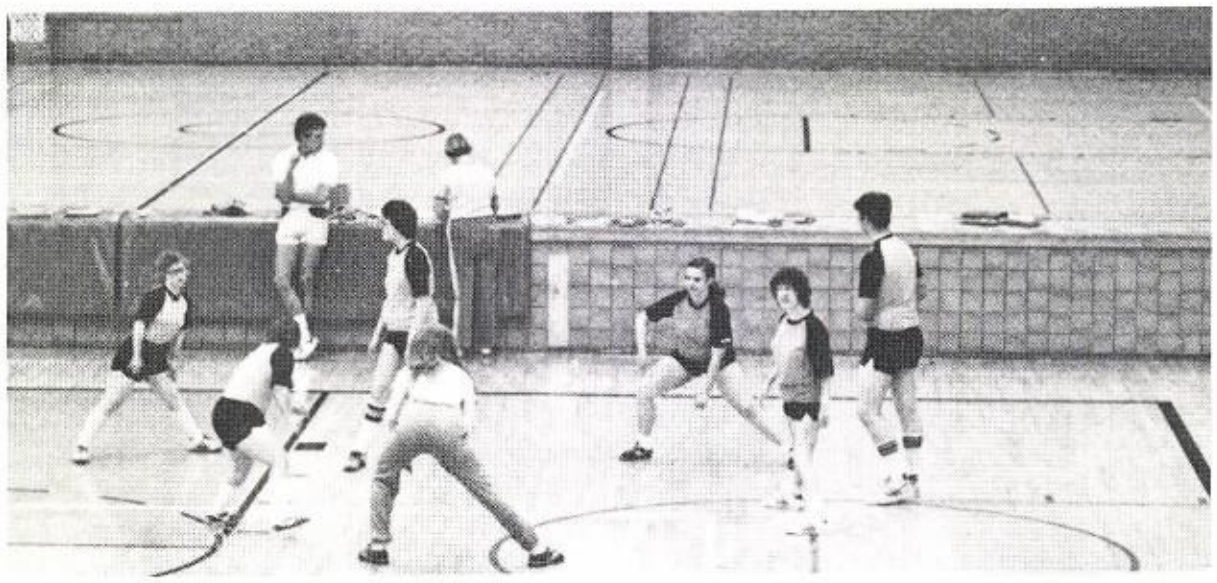
T.M.H. Offers Variety



Physical Education plays an important roll in the students daily activities.

One TMH activity was the involvement of the class with the ESU #9 Vocational Project as a pilot project. Seven of 11 students are involved in job training or job exploration. Four have regular part time jobs including running the grill at McDonald's restaurant, custodial work, and Day Care Center food preparation.

The class continued involvement in Nebraska Special Olympics.

In Memory of

MARGARETHA UERLING
School Board Member
1975 to 1981

It is a pleasure to bring greetings to the student body of Hastings High School in this outstanding school year. When we consider the record of the athletic teams; the continued excellence of our musical organizations; the activities of the debate and forensic teams; and the very constructive activities of the student council, it makes all of us proud to be associated with the high school and its students. All of these good things happened while our scholastic and academic excellence has been maintained.

Superintendent Louis J. Kishkunas

Strasheim Confident of System

Mr. Dwayne Strasheim, school board President, said, "I am especially confident about what is happening in Hastings. We have nine dedicated school board members. We have intelligent, well-trained, and enthusiastic administrators, teachers, and support staff who take their jobs seriously. I am very, very proud of our school system, and I think it compares favorably with just about any system you might want to mention."

BUILDING YEAR FOR VARSITY

The 1981-82 tiger team saw the debut of Coach Pat Fischer who came to Hastings High from Weber State College.

He felt the highlight of the year was the Beatrice game. He also made comments on the year in general. "I think the first year was a learning experience for all of us. We did really well with the number of boys out and the tough schedule. We played against some excellent teams and players. We're shooting for 30 more players next year."

Mitch Fraser and Bill Feis were the leading tacklers with 79 and 59 respectively. Darryn Dieken was the leading receiver with an average of 23 yards. Fraser also led the team in scoring and rushing, with 5 touchdowns and 690 yards in 8 games for an average of 86 yards per game.

The team's offense had a total of 1650 yards- 1357 yards rushing and 273 yards passing for an average of 237 yards per game.

Mark Kister and Mitch Fraser were both members of the Big 10 and Trans- Nebr. Conference teams. Bill Feis was also a member of the Trans team, and he along with Mitch Hinrichs received Honorable Mention on the Big 10 team.

JV TEAM TRIES TO SUCCEED

"I think tbe best part of the season was the win against Beatrice. It showed the players and I that we could win. I'm glad we had a JV football team to get ready for the following years," said Jim Sanderson after the completion of the JV season.

Following two opening losses the JV team quickly regrouped to down Beatrice 19-12. The rest of tbe season; however, the team was unable to muster a win against tough opposition. Bob Foote summed it up saying, "It will help us to be varsity material."

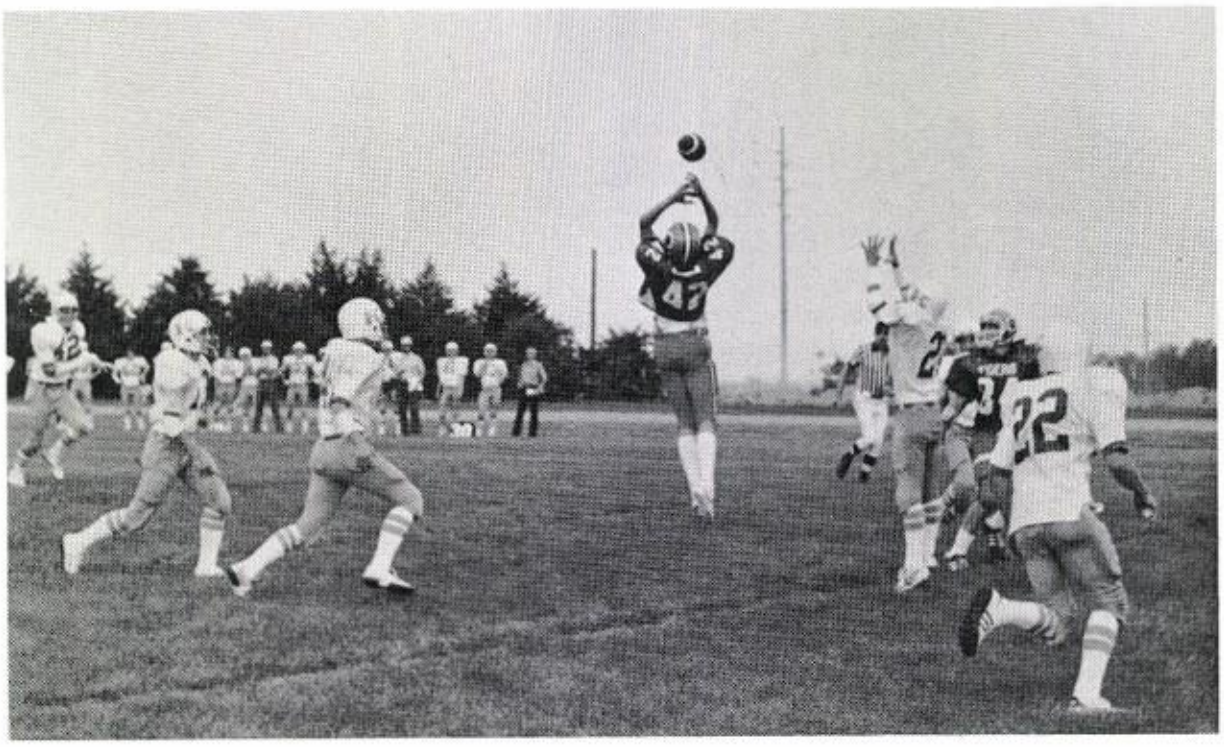
Soph FB Rebuilds

The Tiger Sophomore Football season ended with a 0-2 record and a game against GI Northwest was cancelled.

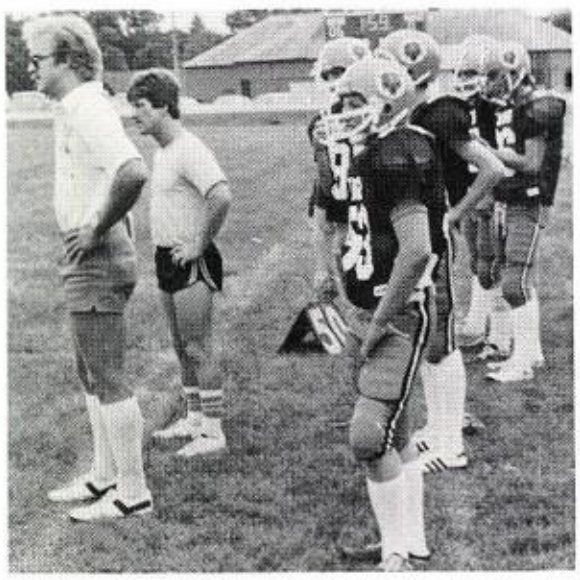
They lost 13-14 against Kearney. The game could have been easily won but Kearney scored their winning touchdown with only a minute left.

They also lost to Minden 0-18. They had one touchdown which was called back. Minden scored on one interception and a fumble that they picked up and ran in for a touchdown.

"I thought the team did a good job," Coach Trautman said. "I thought they gave good effort both games. They also gained some valuable experience which will help them next year. I also thought Reggie Kenny, Jon Englehardt, Darryn Dieken, and Allan Glover turned in good performance throughout the season."



Darryn Dieken(42) tries to make a spectular catch but can he make it?



Allan Glover (53) is hopeing for his chance to play in the game.

FRESHMEN PLAY WELL

The Tiger Freshmen finished the season with a 4-4 record. They were 3-1 in the Great Plains Conference, good enough for a second place finish. They gained victories over Kearney, Holdrege, G.I.Barr, and Columbus. The team lost to North Platte Adams, Minden, G.I.Walnut, and G.I.Northwest. The season team totals: 214 yards rushing against G.I.Barr, 237 yards rushing against Columbus, and 138 total yards of passing against G.I.Northwest were some of the highlights.

A solid defensive unit could boast of successful, game-winning, goal-line stands against Kearney,G.I.Barr, and Columbus where an intercepted pass was returned for a record 98 yards for a touchdown by Curt Rutt.

X-Country Team Excells

The 1981 Hastings High School cross country team had a fine season in placing high in several of their meets.

The team was made up of four seniors and two juniors and an impressive amount of sophomores.

The team was lead by Scott Finley and Brian Kranau both seniors and Kelly Bierman an outstanding sophomore. Both Finley and Kranau were cited for their fine leadership.

The team was 1st in the Beatrice dual and 1st in tbe Minden triangular. They were 2nd in the Kearney Invite, Trans Nebraska and the tough Big Ten.

Their biggest dissapointment was not qualifying for the state meet. Coach Steve James said, "Overall this season was a very successful and satisfying season for everyone involved and it was seeing each individual improving in their running ability and growth in character that made it a very rewarding season."

The Tiger cross country team makes last preparations before their big meet.

V-BALLERS ARE DIS-APPOINTED

The lady tigers finished 3rd in the Trans-Neb. Conference. Lorie Arneson and Barb Bennett were named to the Trans. Neb. all Conference team. The team was also 6 out of 8 in the Big Conference.

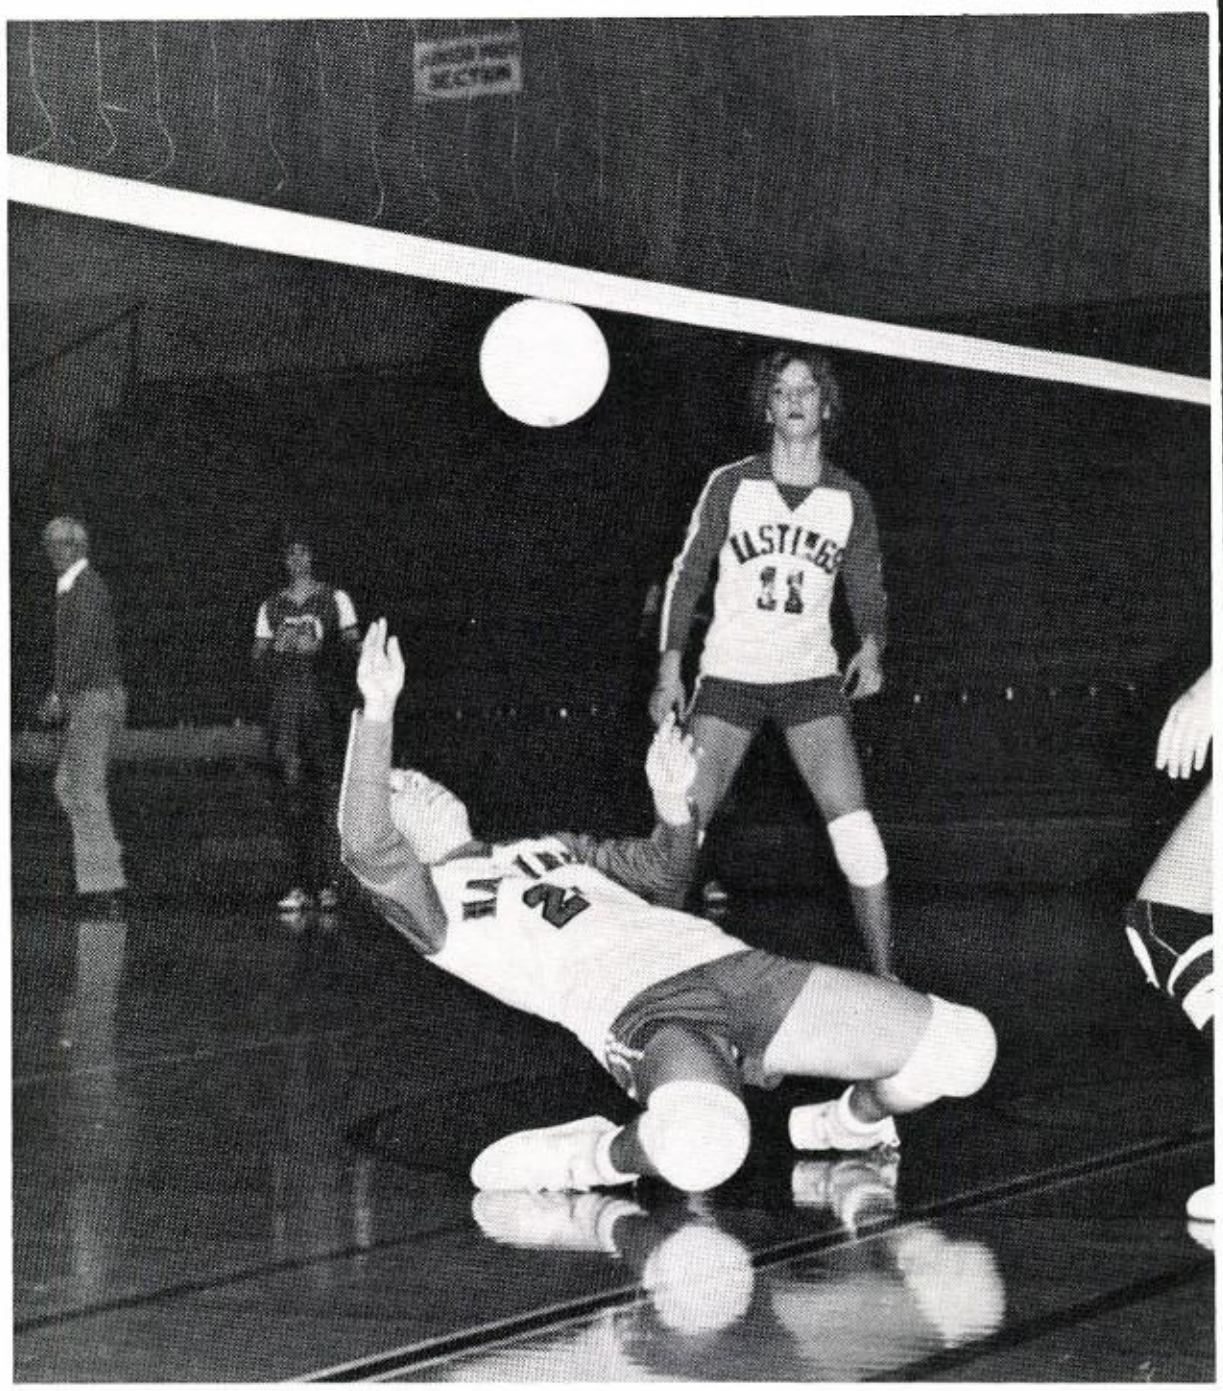
Lorie Arneson along with Cheryl Nelson were named to the East Big 10 all conference team.

Miss Teetor said, "this was the most dedicated team I have had and they had a never-say-die attitude."

Barb Bennett said, "we didn't always come out on top but we had a good team and the season was a lot of fun."

Coach Teetor said, "We started the year out by winning the second game of the season and it looked like we would be off to a really good start. But we just got edged out of quite a few games because the ball didn't bounce our way. We took most teams 3 sets which was a major improvement. We played them tough right to the end."

"Ahhh, Let's get psyched," was the common chant for the start of every game!



What a terrific move Barb Bennett, bending over backwards to get the hit!

VB TEAM improves

The 1981 Hastings High School junior varsity volleyball team had a 3-6 record under first year assistant coach Genice George.

Despite having a losing record, this years record was much improved over last years. The highlight of the year was the win at Kearney in straight sets 15-13, 15-3. This was a most satisfying win because Kearney is known for their fine teams.

Leading setters were Paige Fanning and Stacy Scholtz. Mary Janssen, Barb Howard, Jane Lake, Lori Draper and Tami Adler were leading spikers.

Coach George said "Over all this was a successful season and the girls developed into a fine, well-rounded team."

Right: Tami Adler awaits to make the "big hit."

TEAM HAS GOOD YEAR

The 1981 tennis team had 9 lettermen this season, 4 seniors and 5 juniors. This was the largest number of lettermen in recent years. The two most outstanding players this year were 3-year-lettermen Steve Sholtz and Ken Zaroban. Ken played in the number one singles position in the tournaments and led the team in singles victories. Steve Sholtz was number one on the challenge ladder all year and played number one doubles in all tournaments. He was elected to recieve the Hastings Tennis Association award as the outstanding player this season. Steve and junior Lynn Francis led the team in scoring this year. Together they made the quarter-finals at state. They lost in a close three-set match against the eventual state doubles champions from Norfolk. Mike Falk, another senior, won two matches at state before losing in the quarter-finals.

Coach Fike summed up the season saying: "We had a very young team this year with only 2 returning lettermen. Our 5-4 dual record was fairly good considering our lack of experience. The 5-4 dual record was very indicative of our season as we lost 3 matches by the score of 5-4."

Junior Varsity completed a very sucessful season this year with 13 players and a 5-0 season.

FALL PLAY BIG HIT

The fall play, The Missing Link, played to enthusiastic crowds both Friday and Saturday night. This well written play was interpreted delightfully by its young cast.

Making strong debuts were Susan Ganow as Lindy, and Steve McKinnis as Simmon. Lisa Norwood, also in her debut performance was a highlight of the third act. Diane Boese, another newcomer, stole the show with her portrayal of Fiona, the trodden-down secret admirer of Simmon.

Unfortunately, talented actor Paul Brownlee, was forced to give up the role of Jake, due to health reasons. Thom Howard was able to pick up the part and he gave a marvelous performance in it.

Ironically, this year's ingenue, Lisa Westermann, played the oldest character in the story. She shows promise and will certainly be here next year.

Jim Myers, in the leading role, showed himself to be no beginner. Old familiars Gwen Conaway, Larry Holcombe, and Sue Schmidt were a major part of this thoroughly enjoyable play.

Regan Copple was really convincing in his role as a savage.

The man behind all the wonderful performances is Ronald Veberg, theatre teacher here at HHS. Not only did he direct the play, but he also decided on the set.

Gwen perpares to go to the wedding while Larry perpares for Bermuda.

JUNIORS: THE CLASS W/"CLASS"

This year's junior class . . . the class of '83 was definitely the class with "class." The juniors had a very exciting year filled with many new and exciting changes. They experienced the new freedom of having open campus and finally got rid of the dreaded term, "underclassman."

The juniors had many exciting things happen to them this year. They united to make the winning poster in the Spirit Week competition and united for the all-important Prom in May. The juniors this year excelled in many areas ranging from sports to scholastic achievement. Although most juniors loved their new freedom as juniors, all juniors could admit that they were anxiously awaiting their senior year when they could "rule the school."

One junior summed up the feelings of most juniors by commenting that she thought her junior year was great, "but that being a senior will be the ultimate!"

TIGERETTES SPORT A NEW LOOK

Tigerettes, take the floor! The 1981-82 Tigerettes took the floor in new style this year. The brand new uniforms and pom-poms added sparkle to their performances.

Under the leadership of Carrie Uerling, the Tigerettes marched in the Harvest of Harmony and Melody Roundup parades. They also performed ot our home football and basketball games.

The spirit of the Tigerettes was summed up by Kim Hahne, who said: "The best part was the performances, but the worst part was the 7 a.m. practices."

BAND HAS GREAT YEAR

"And the troops go marching on," as did our Tiger Marching Band to a most successful season of Mr. Dale D. Duensing. The strong marching band of 135 started their season with a victory at York. This was the third consecutive year the band has been named, "Best Overall Band."

From there they acquired 28 more members by adding the Tigerettes, and together they marched to a victory at Melody Round-Up and to a second place finish in Harvest of Harmony. But the band didn't stop there, they went on to receive a Division I in field competition later on in the afternoon. To finish out this mission, the band worked hard, excelled on the field, and acquired some pride to receive a Division I at the Nebraska State Marching Band Festival, otherwise known as "Pershing".

Senior band members receiving gold medals for three years of outstanding marching at the festival were: Julie Archer, Jon Dickerson, Bill Paxton, Becky Kimminau, Kim Hahne, Anne Rief, Ellen Touchstone, John Shaver, Shanna Utecht, Karla Longshore, Steve Cronin, Larry Holcombe, Bruce Hoffman, Scott Pohl, Jon Harrison, Steve Sulley, and Shelley Zalman.

PEP BAND DEDICATED

Our 1981-82 Pep Band consisted of 130 members. They played at all home football and boy's basketball games. In addition, they also played at several girl's basketball games and all before contest pep rallies. The spirit at these events would not have been as high of the pep band had not been there. Their dedication and loyalty to the school was appreciated by everyone involved.

TRIP TO TEXAS A BLAST!

The Symphonic and Concert bands this year raised money for a spring trip to Dallas, Texas. The band left on a Thursday night and returned home late Sunday. While in Texas the band members were kept busy by tours, practices, and fun times. The best time of the trip was the invasion of Six Flags over Texas by the ninety member band. All members agreed that the times that they had would be times they would remember forever. "It was a lot of hard work raising enough money, but it was a blast!"

TWIRLERS, FLAG SQUAD SHOW PEP

The Flag Squad and Majorettes really showed their style this year by performing at various football and basketball games. The highlight of the twirling season for the majorettes was their annual fire show performed during halftime at a football game. The majorettes attended a camp in Salina, Kansas. The camp was a week long. They practiced all week for the competition on the final day. The HHS majorettes came away with the Grand Champion Trophy. This trophy is on display in the band room. The Flag Squad attended camp at Casavant in Hastings. There the Flag Squad worked very hard to perfect their techniques. The Flag Squad got involved by holding several money making projects throughout the year. The Flag Squad and Majorettes accompanied the band at all their marching competitions, including Pershing.

VARSITY PLAYERS HAVE GOOD SEASON

The 1981-2 Basketball team under the direction of Coach Mullins finished the season with a 15-5 record. They were named the Big 10 Conference Champions on February 20 during a game with McCook. The team consisted of six seniors and seven juniors. The team worked hard all season and Mark Kister said, "The year for the most part was good, but we were very disappointed about not getting to State. One reason we had such a good team was because we were so balanced. We all worked hard throughout the year and felt happy with all the good crowd support." Mike Smith said, "I think it was a real productive year."

SOPHS ARE 10-2 FOR THE YEAR

The Sophomore boys' basketball team had an outstanding season under the direction of Coach Reimer. Their season record was 10-2. The two losses they suffered were at the hands of the Columbus sophomores and the York JV team. The team consisted of 16 players. These players worked hard throughout the season, which resulted in a well-balanced team.

Each member improved his skills and is looking forward to advanced play next year. Jim Sanderson summed up the season saying, "I thought we all worked hard as a team. We had a great season."

They worked hard all season and had an enjoyable experience. The team consisted of 17 freshmen and all of them saw playing time. Next year's team hopes to see an improved record and feels they can have a winning team with a little effort. The "B" team's season record was 3-0. Mark Bachall said, "We gained experience and had fun."

GIRLS BB HAVE BEST SEASON

The 1981-82 Girls Varsity Basketball team under Head Coach Benny Congrove had one of its best season's ever with a record of 13-7. This year they had 5 returning lettermen and some of the season highlights were beating Grand Island three times out of three, beating Lincoln High for the first time, being East Big Ten Runner-Up with a 3-1 record, and being Runner-Up in the District Finals to Kearney, the state champions.

Some of the outstanding players this year were Terri Smith, the team's only 3rd-year letterman, who led all scores with 270 points (13.5 per game) and who was second in steals at 44; Diana Dunham, a 2nd-year letterman with a total of 168 points; Debbie Jacobe, a 2nd-year letterman with a total of 149 points who also led in assists with 61; and Lorie Arneson, a 2nd-year letterman with 137 points who led in rebounds with 163.

Congrove felt that this year's team was especially hard-working. "The girls worked harder than any other group I've coached and got along better as a team, too! It was a super team effort and I'll surely miss the four seniors. They were great team leaders. This year's team exemplified what hustle, determination and team work can accomplish," Congrove commented.

TANKERS WIN TRANS & BIG 10

The HHS boys swim team had one of their most successful seasons yet with an 8-2 record and the Trans Nebraska and Big 10 Swimming and Diving Championships under their belt.

During the dual season the Tiger Tankers lost only to Lincoln East and Lincoln Northeast. The boys easily defeated the Lincoln High Links by a score of 112 to 57. This was the first time in six years the boys team has defeated a Lincoln school. The other teams the boys defeated during the season were Columbus, Fremont, Grand Island, McCook, Norfolk, North Platte, and Scottsbluff.

In the championship season the Tiger Tankers brought home victories from Trans Nebraska and Big 10. This is the second consecutive year the boys swimmers have claimed both of these titles. The Tankers easily outswam Columbus and Norfolk at Trans Nebraska.

The final score of the meet was Hastings 95, Norfolk 85, and Columbus 82. The boys team defeated Norfolk at Big 10 by only eight points with the other six teams nearly fifty points behind the leaders.

The boys who went to the state swim meet were Jay Beckby, Don Cushing, Junior Dias, Vince Jurgena, Ken Locke, Brian Minnick, Mike Ochsner, Ed Rief, Steve Sulley, and Wayne Versaw. Cushing, Minnick, Ochsner, and Versaw were sixth at state in the 400 free relay.

During the dual season the girls lost to Lincoln East, Lincoln Northeast, Columbus, and Grand Island. The girls outswam Lincoln High, North Platte, Scottsbluff, McCook, and Fremont.

At Trans Nebraska the Columbus girls seemed to dominate but the Hastings girls did manage to outswim Norfolk. The final score of the meet was Hastings 71, Columbus 133, and Norfolk 46.

The girls swimmers who were expected to get fourth or fifth at Big 10 surprised many people when they swam to a second place finish. The only team to beat the Tiger Girls was Columbus.

SPIRIT INCREASED IN H.H.S.

The fifteen varsity cheerleaders were chosen the spring before the upcoming season. From this time on they worked hard perfecting cheers and making up routines. The cheerleaders attended a camp at the University of Lincoln to learn new cheers, chants, and routines. They brought a trophy and a spirit stick home to start the season off with pep and spirit.

Enthusiasm and spirit was promoted to the student body through pep rallies throughout the changing seasons. Class competition arose through contests such as a toilet paper wrap, obstacle course and the traditional battle cry. Spirit rose this year as many athletes had winning seasons.

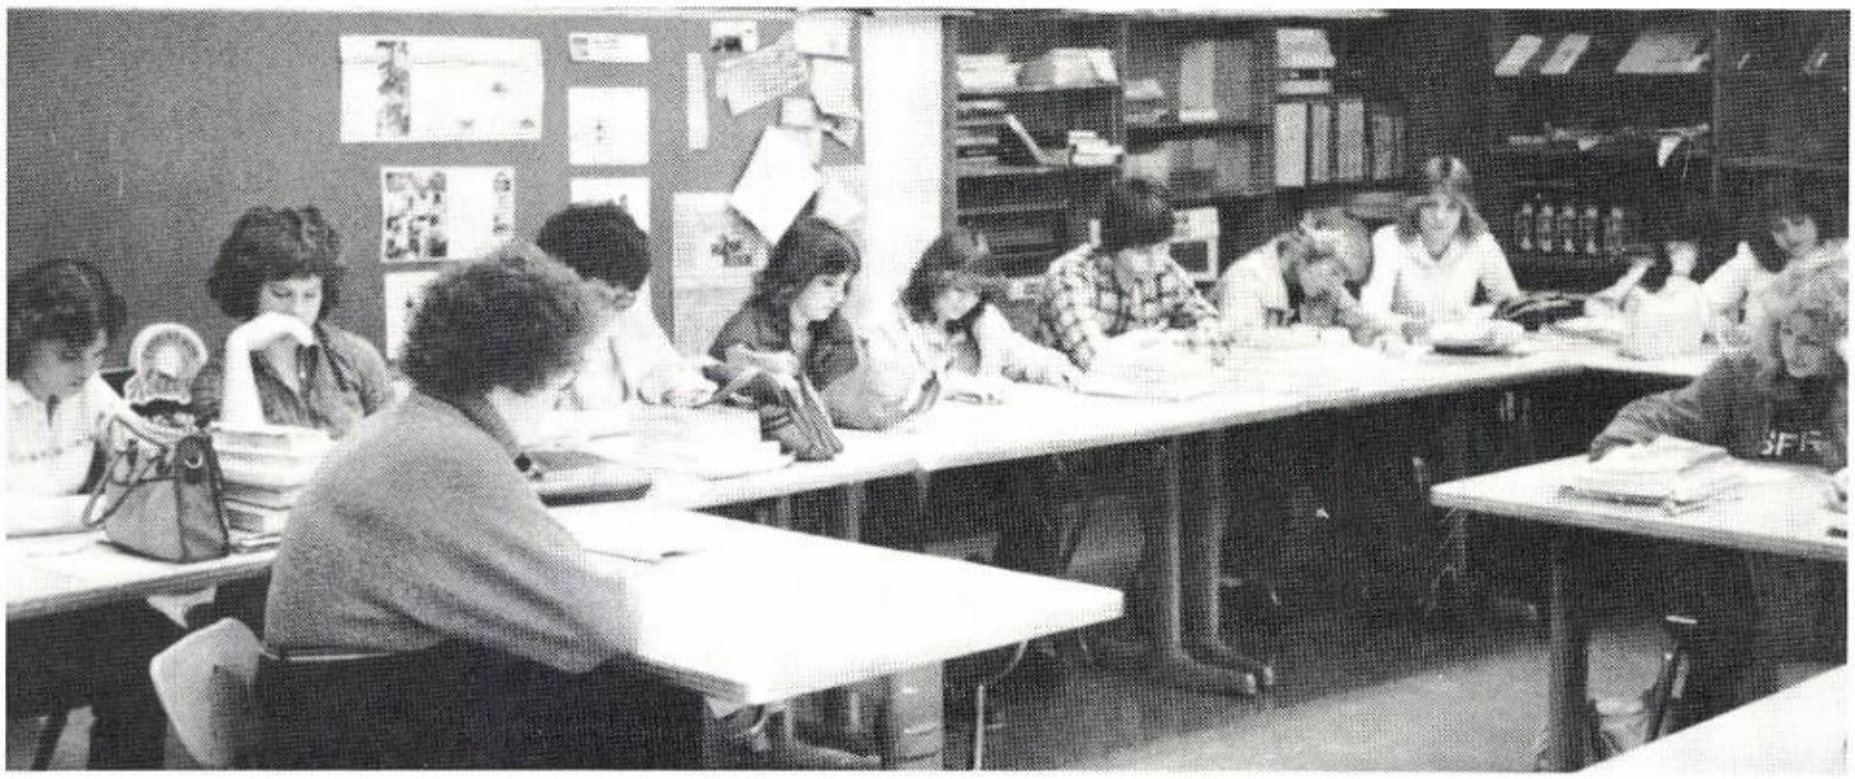
Marketing Skills Are Learned

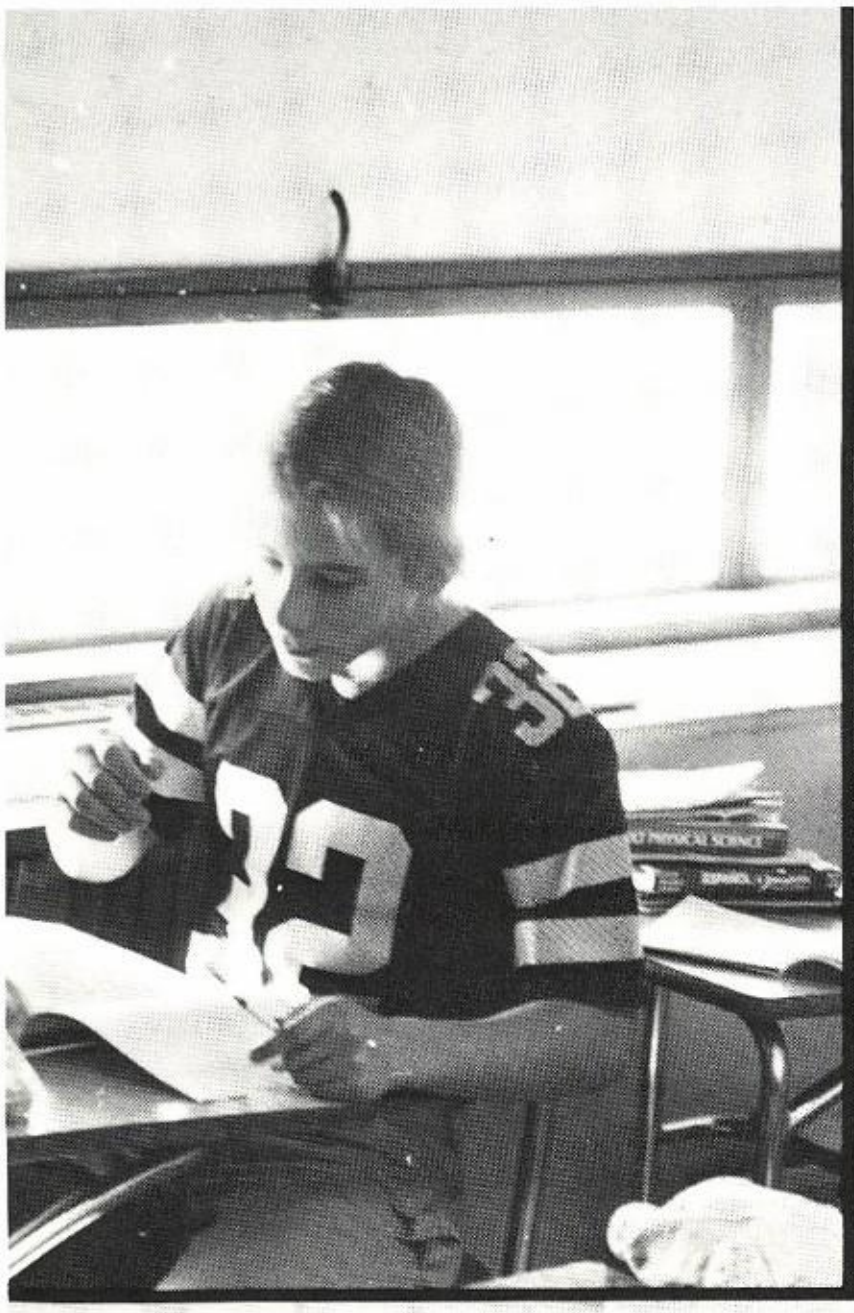
The Deca Club is the Distributive Education Clubs of America. The club's purpose is to further the knowledge of the students in Marketing and Distribution. Any junior or senior enrolled in Marketing class is eligible to join.

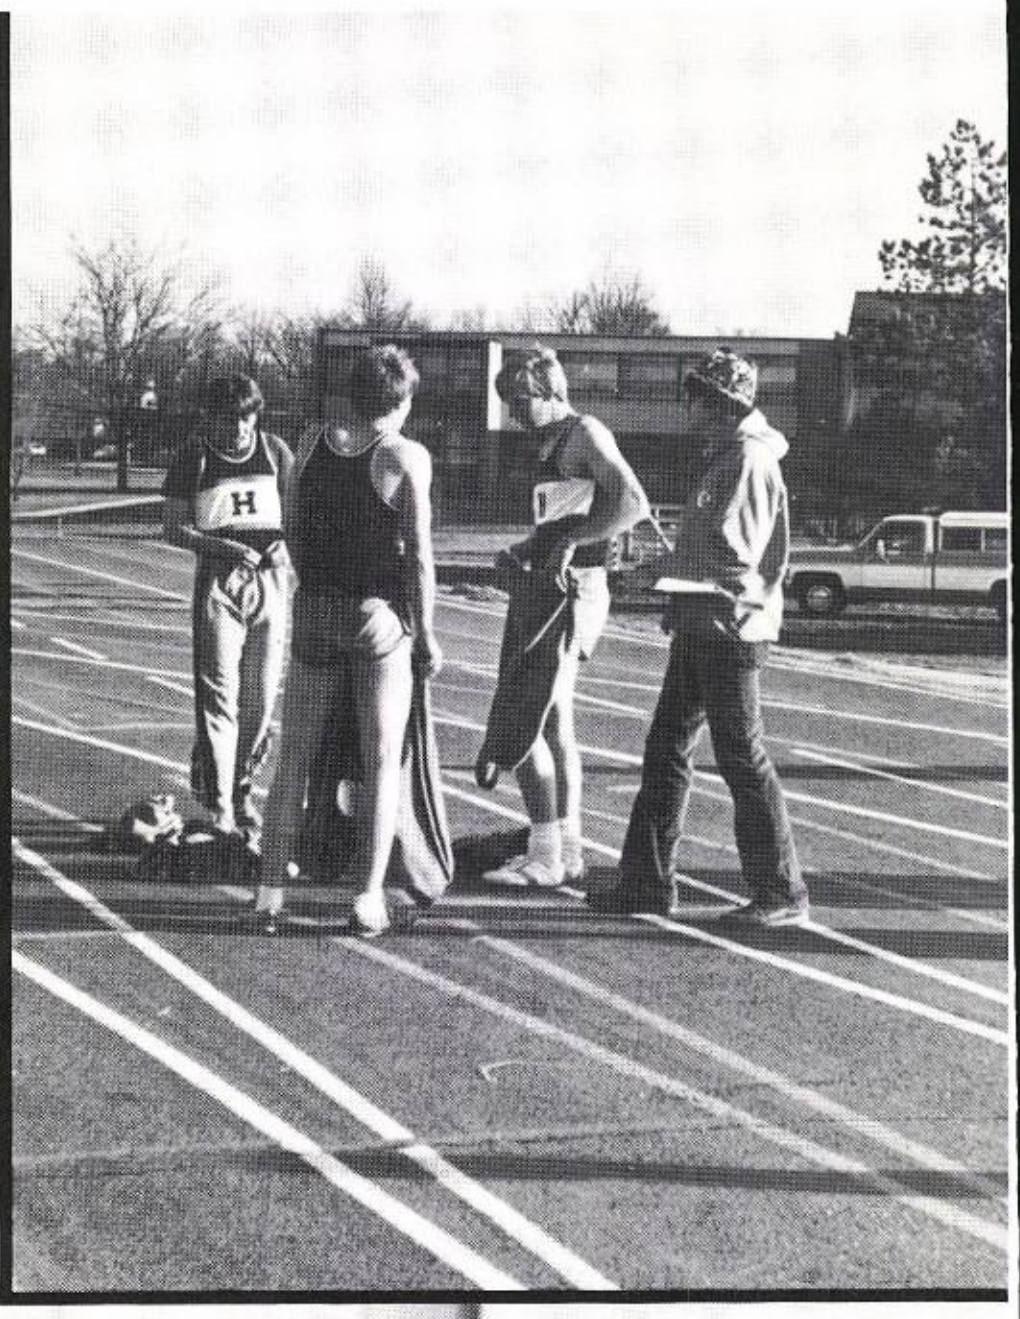
During the year Deca was involved in a number of activities. They sold donuts on the bridge, sponsored a dance and had a Christmas dinner. All of these activities were held for fund raising purposes. In March they attended the Career Development Conference.

There were 21 members in this year's Deca Club. This year's officers include; Dave Hartman, President; Kim Woodward, Vice President; Carrie Uerling, Secretary; Amy Gingerich, Treasurer. Miss Sutter was the club sponsor.

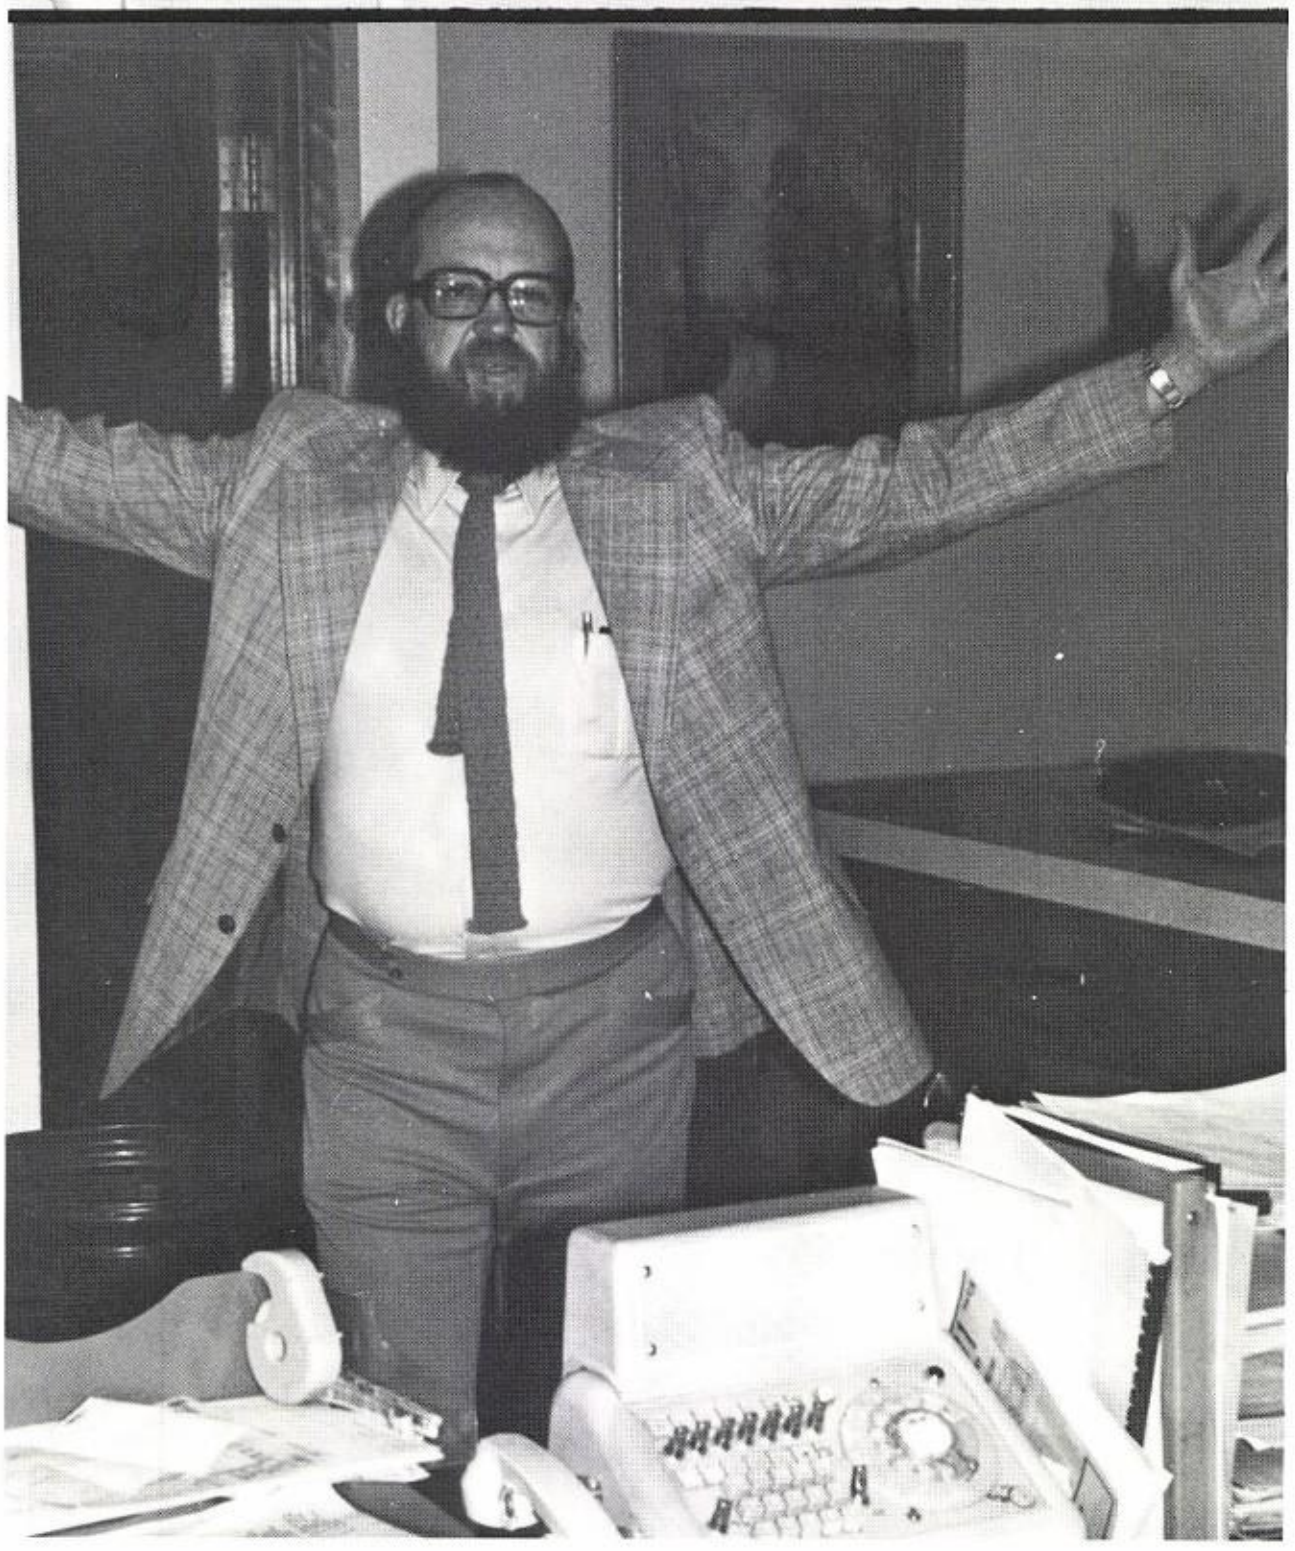


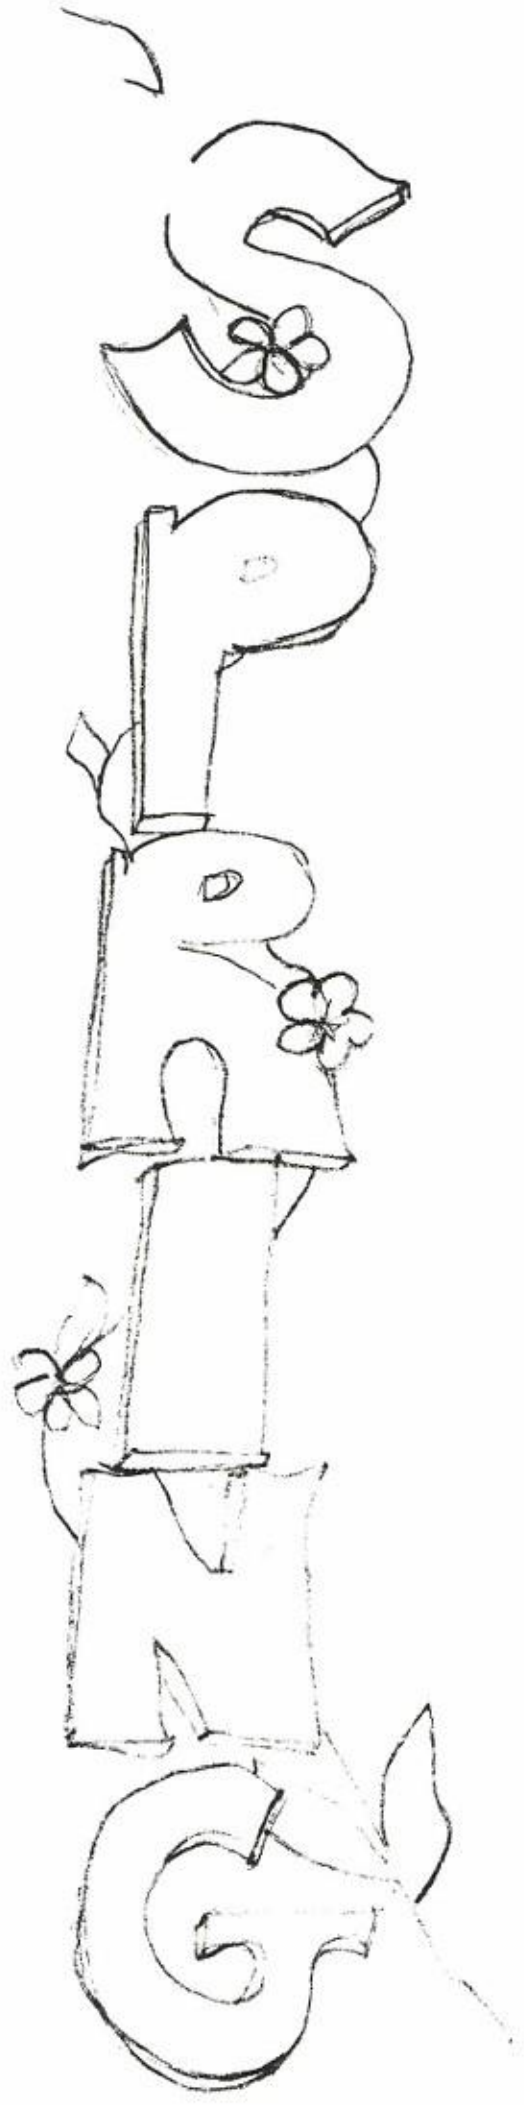
Miss Sutter's class is very studious as she quietly keeps watch over them during study time.





HERE'S LOOKING AT...





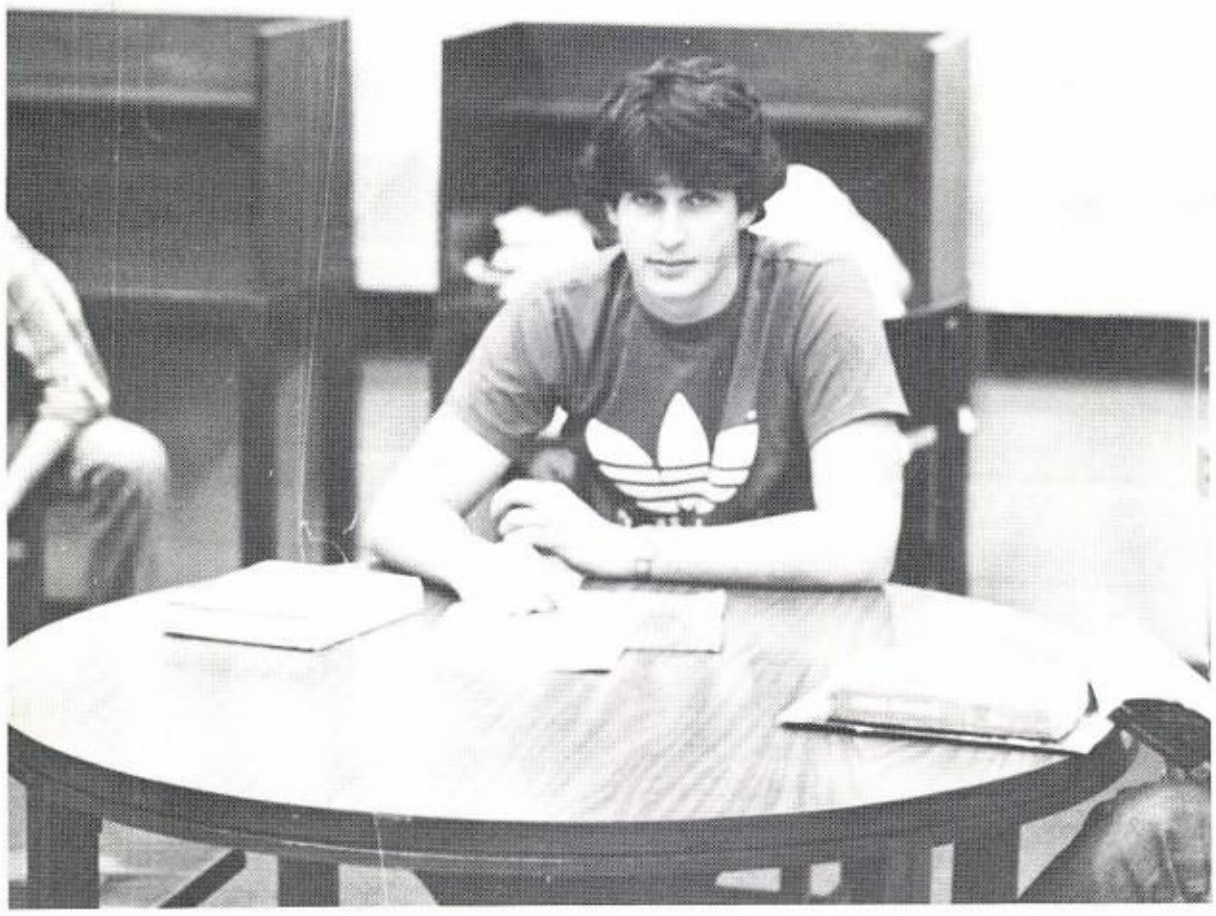
A BIT OF CULTURE FROM AFAR

H.H.S. had three exchange students during 1981-82. They were Sara Burgess, Vilmar Dias and Luis Dividino.

Sara Burgess makes her home in Luton, England. Sara arrived on July 27, 1981 and departs July 13, 1982. Sara was involed in the Senior Class play, and a reporter for the Tiger Cub. "School is really fun here, the approach to work and teachers seem so casual. It's great!"

Vilmar Dias, (Junior) is from Valadares, Brazil. Junior participated in swimming and tennis. He feels H.W.S. is a great place to make friends and to learn a new language and culture. Junior asks of us, "be patient with those who don't know how to speak English."

Luis Dividino is from Santo, Brazil. He was on the track team. Luis's opinion of H.H.S. is that he likes it and that we have a lot of friendly people.



Luis Dividino looks up for a moment during studying in the library.

Kosmet is Fun and Excitment

Kosmet Club, how would one define Kosmet Club? Well in the words of three year member Gwen Conaway, "Its a group of people that like drama that get together on Tuesday nights and Thursdays after school and have a lot of fun!" As Gwen said, Kosmet Club met on Tuesday nights and Thursdays after school in room 88. Their meetings were a place where people who liked to perform could do so by putting on plays, skits, and other programs to the other members.

Besides putting on performances for each other, Kosmet Club is responsible for the fall and senior plays. They all agreed that it was hard work, but well worth it in the end.

The group was led by Mr. Ronald Veburg, who is also the acting instructor.

Tbe group consisted of twenty members with the following officers: President—Alma Lowry, Vice-President—Larry Holcombe, Secretary—Diane Boese, and Treasurer—Lisa Norwood.

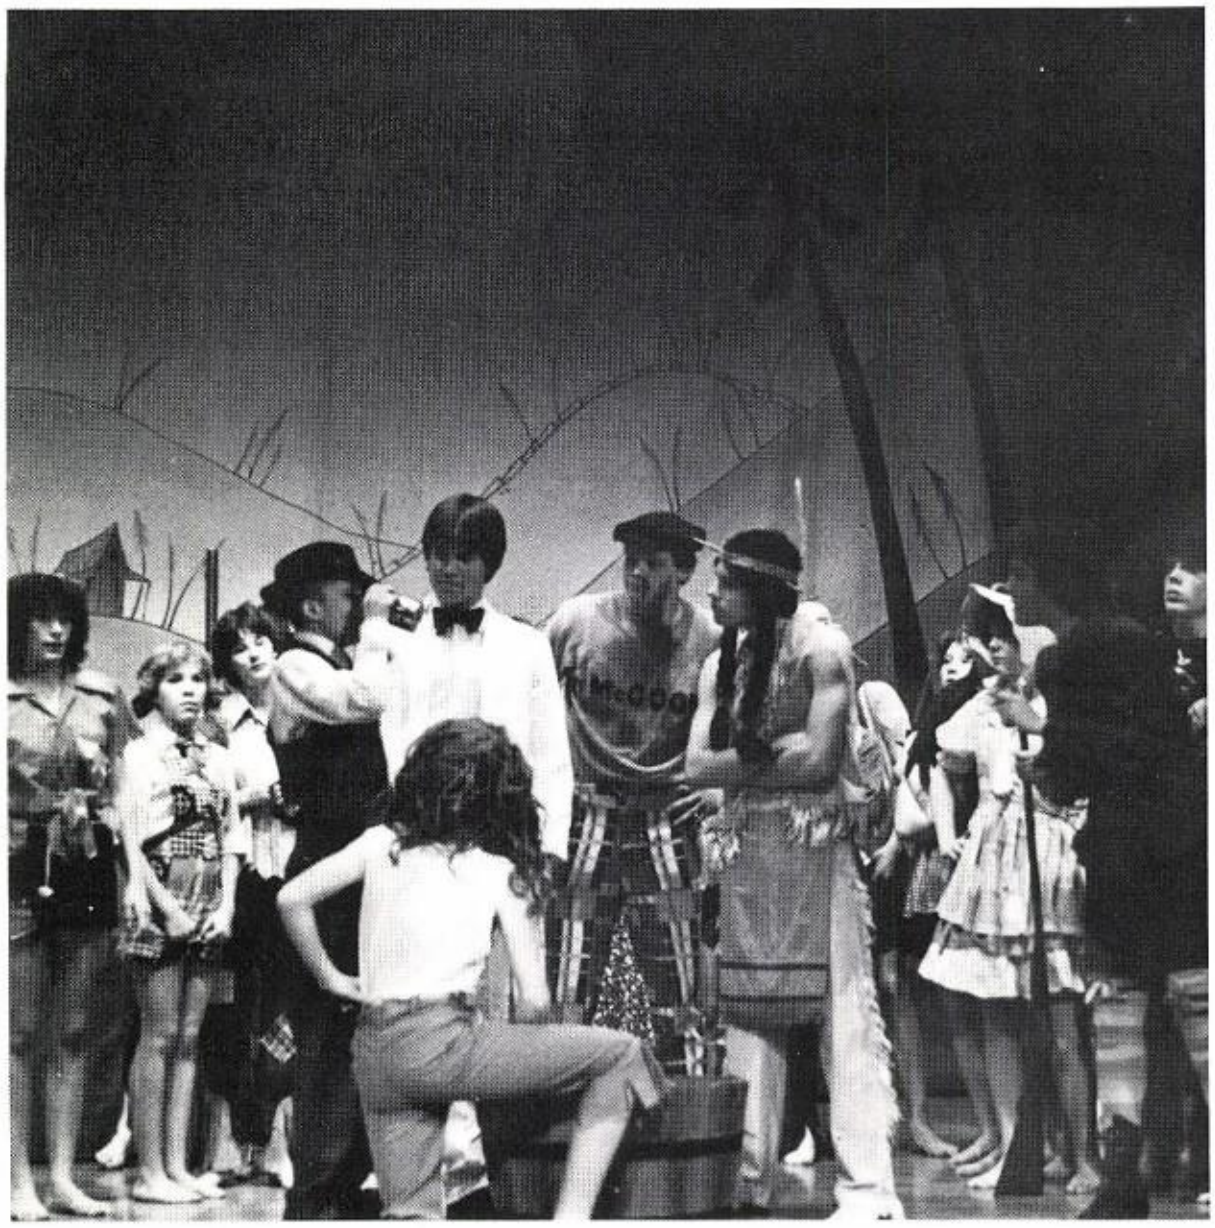
STUDENTS PRESENT LIL' ABNER

On March 8-9 a cast of 44 members, a chorus of over 60 members, a 23 piece orchestra, and over 20 crew members combined their talents to present the musical production of "Lil' Abner".

"Lil' Abner" is based on the comic strip by Al Capp. It is about the hillbillys living in Dogpatch U.S.A., which has been selected as the most unnecessary town in the country. Since Dogpatch was selected as the most unnecessary town in the country, it was therefore the perfect site for nuclear tests. It is left to the people of Dogpatch to find something necessary in their town. It appears that something necessary is found when Mammy Yokum produces her secret formula of Yokumberry tonic which makes musclemen out of weaklings. However General Bullmoose, a slu and caniving politician set Evil Eye Fleagle to work with his double whammy to get the secret formula from Lil' Abner.

The musical showed how the people of Dogpatch try to foil General Bullmooses plans and save their town.

Senior Rob Harding played the lead role of Lil' Abner and Julie Crowley had the female lead as Daisy May. Other leading members of the cast were Bill Feis as Earthquake McGoon, Joe Anderson as Pappy Yokum, Sarah McDougal as Mammy Yokum, Tom Pringle as Marrin' Sam and Jamey evans as General Bullmoose.



The government man (Chad Stevens) samples some of the kickapoo joy juice made by the Indians in Dogpatch.

Mammy Yokum (Sarah McDougal) tells the wives that their husbands are going to be gorgeous and beautifully built.

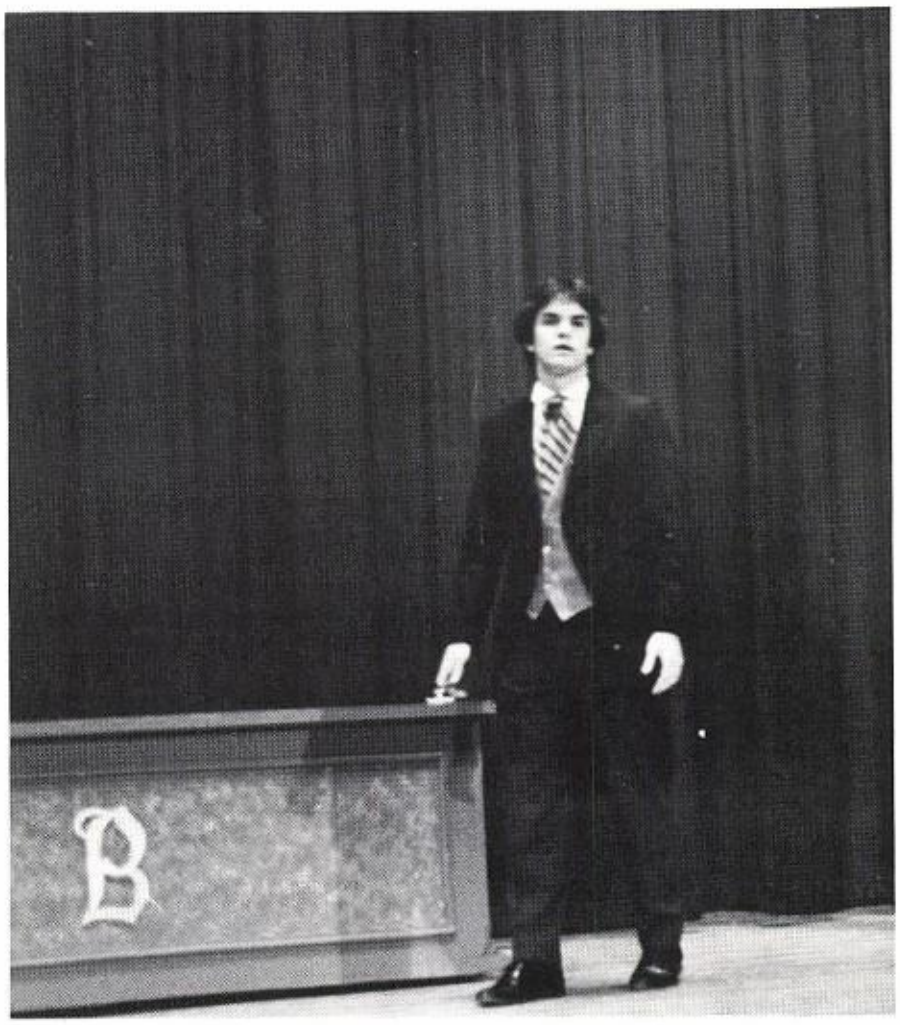
The Dogpatchers gather together on Dogpatch Road to tell that "It's A Typical Day In Dogpatch U.S.A.".

Lil' Abner and the Cronies sit around discussing life as a married man.

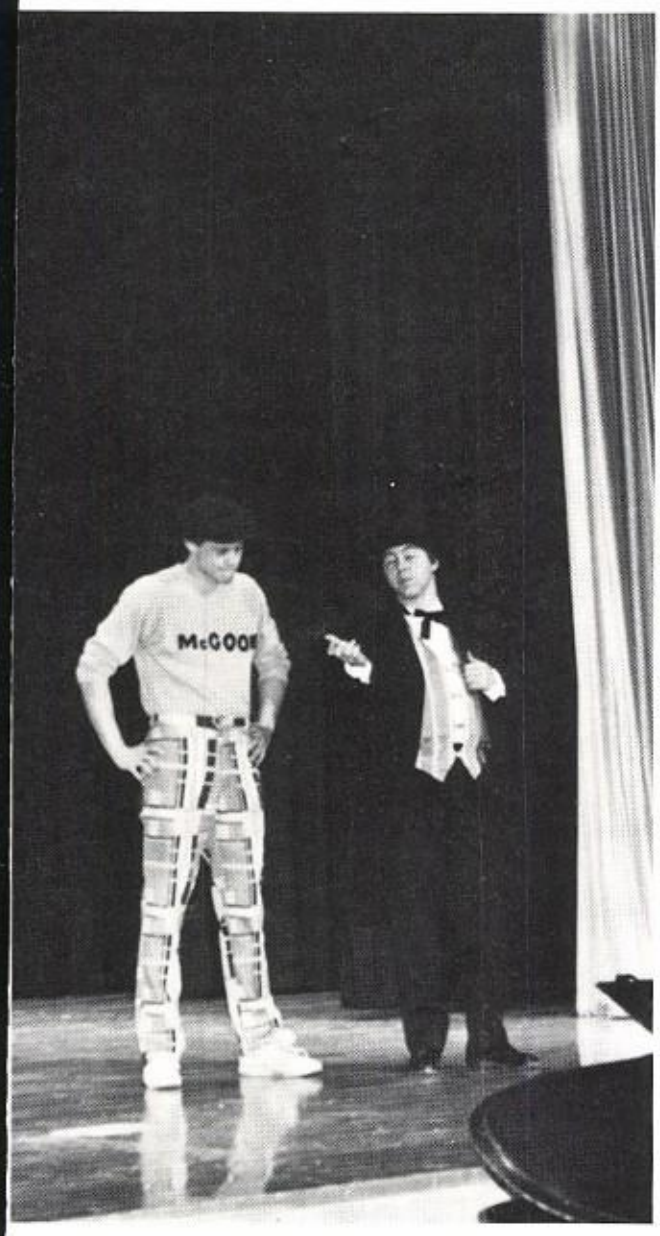
Daisy May (Julie Crowley) tells Abner (Rob Harding) how she'll catch him.

The bachelors from Dogpatch line up to run from the love starved maidens just before the Sadie Hawkins Day Race.

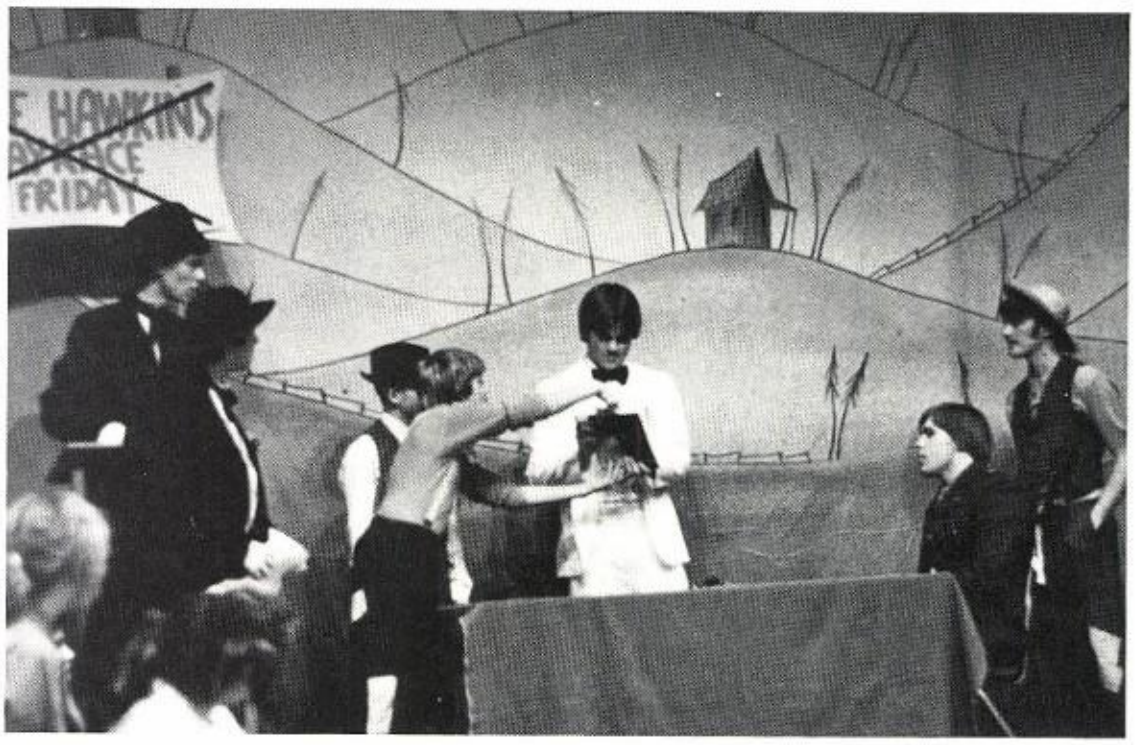
Lil' Abner (Rob Harding) and Marryin' Sam (Tom Pringle) explain that "The Country's in the Very Best of Hands."



General Bullmoose (Jamey Evans), a conniving Washington businessman, plots to destroy Lil' Abner.



Marryin' Sam (Tom Pringle) tells Earthquake (Bill Feis) about an $8.00 wedding.



The Dogpatchers try to find something necessary to show the scientist.

One of the wives (Laura Locke) is totally shocked to see her husband back from Washington as a weakling instead of a muscle man.

PROM '82 THE BEST OF TIMES

The 1982 Junior-Senior Prom was held on May 15 in the high school gym. The theme was the Best of Times and couples danced to the music of Rex Hedding. Golf carts carried the pairs to the doors where doormen awaited them. Upon entrance they were greeted by happy ticket-takers and coat check girls. Streamers were hung everywhere and on the landing was a couple we modeled our dancing style after. Before entering the gym we noticed an array of senior stars from the past year and inside was a various assemble of movie stars from the past. At 11 o'clock balloons burst forth from the ceiling much to the audience's pleasure. As the night drew to a close and the festivities ended the memories of another prom are locked away.

The Junior-Senior Prom was a Gala Premiere as shown on the far wall.

SENIORS PRODUCE MYSTERY

This year's senior play was the stage adaption of Agatha Christie's "A Murder is Announced" and was set in England.

Leads in the 1982 senior play went to Ellen Touchstone (Letitia Blacklock), Sara Burgess (Miss Marple), Thom Howard (Inspector Craddock), and Gwen Conaway (Dora "Bunny" Bunner). Sara was an exchange student from England this year.

The action all took place in Miss Blacklock's drawing room where, on Friday the thirteenth of October, a murder took place, after being announced in the local newspaper. From that point on, mysterious murders began to take place and the question of "Who done it?" was left as a mystery to the very end.

Remember when:
You were small and scraped your knee
And mama said, "Shh now, you're big now, your three."
And walking to school with friends at age 5
Friends were for always, we knew no good-byes.
And 1st grade was when we read our first book;
"See Dick and Jane" was all that it took.
Third grade and notebooks we were "hot stuff".
Sixth graders tripped us; they were real tough.
Grade school commencement came all too soon.
We still played with stardust and reached for the moon.
Junior High really was when life began
That's when the hour glass dropped all its sand.
Canteens and "crushes", first kiss and Sex. Ed.
"We know it all now," was what we all said.
Life held no surprises until Senior High
Then we were Sophomores and breaking the rules.
At Platte parties and other high school events
We drove Dad's car and added some dents.
A junior is really quite "laid back" and "cool."
For next year he'll still be at school.
But being a Senior is more than the best
We've made it now, we've passed all the tests.
Mama still says, "You're big now, don't cry."
But how do we cope when we must say good-bye?
Since saying good-bye is the worst part of all
For the friends of today are the best friends of all.
And the friends of tomorrow and the friends of the past
Our memories and dreams they hold onto fast.
"Good-bye" to today and the friends we have made
But the memories of you will never quite fade.
